This partnership reflects EPIC4's unwavering commitment to fostering leadership, setting new standards, promoting professional growth, and advancing opportunities for women within the dental sector.

Through this collaboration, EPIC4 will actively support Women in DSO's mission to create a more supportive environment for women professionals in dentistry. The partnership emphasizes EPIC4's dedication to driving innovation and cultivating opportunities for women, and our teams, to lead and succeed in a traditionally male-dominated industry.

We also are showcasing a revolutionary new SPO model that will change the face of the industry where everyone wins.

EPIC4's participation in Women in DSO will involve engaging in mentorship programs, leadership development initiatives, and set the new stage for participating in events that amplify the voices of women across the dental sector. Together, EPIC4 and Women in DSO aim to pave the way for future generations of women leaders.

"Joining Women in DSO is a natural extension of EPIC4's commitment to cultivating leadership and driving meaningful change in the dental industry," said Dr. Sami Webb, DDS, MS, CEO of EPIC4.
